Carnival Entry Fees

Branch Level Carnivals

The club will pay all entry fees for Branch carnivals. If a member enters and fails to attend, they will be billed for the entry fee and no further competition entries will be considered until the fee is paid.

Championship Level Carnivals (Country, State and Australian titles)

The club will pay all entry fees on a Pay in Advance basis with fee refund upon attendance. The competitor will deposit their entry fee with the club Admin Assistant. This will be held until after the carnival and will be refunded to the competitor after they have attended. This is to discourage competitors making last minute withdrawals which ultimately costs the club unnecessary fees. No late entries for carnivals and competition will be accepted.

Please contact the Director of Surf Sports for any queries.
